

## DISTANCE EDUCATION ACCREDITING COMMISSION

# STUDENT ACHIEVEMENT DISCLOSURE FOR THE PUBLIC

DEAC accredited institutions offer a broad array of instructional programs and student support services to meet varied educational and professional goals of a highly diverse student population. Institutions determine appropriate performance criteria to measure the success of their students in achieving their goals in the context of the institution's specific mission and scope. You will find below (1) a summary of how this institution measures student achievement in the context of the institution's mission and educational programs, and (2) student achievement metrics which the institution believes best reflect student and program performance. For more information about DEAC standards and requirements, please visit [www.deac.org](http://www.deac.org).

### Summary of Institution Mission and Student Achievement

The Art of Education University provides rigorous, relevant professional development to art teachers at every stage of their career. The institution offers individual online graduate-level courses and a flexible, 36-credit online master's degree. Course offerings are relevant, affordable, and driven by best practices in the field.

AOEU evaluates student achievement by several indicators: successful course completion rate, start-to-enroll rate, Capstone Readiness Exam pass rates, student satisfaction rates.

The Art of Education University measures student achievement using both direct and indirect measures. Measurements include course completion rates, capstone readiness exam pass rates, Capstone Action Project rates, and survey data.

### Aggregated Institutional Data on Student Achievement

Successful Course Completion Rates: 89.3% (3,970 unique enrollments)  
Capstone Readiness-Exam pass rates: 100% ( 112 students)  
Capstone Action Project Rates: 93.5% (77 students)  
Student Satisfaction Survey Data: 98.69% (2,905 students)  
Graduation Rate- 53%\*

\*The recommended timeframe to graduation is 2 years, although students can take up to five (5) years to graduate. By 2021, 53% of the first cohort graduated within 2 years. Seventeen (17) students are still pursuing their master's degree. A true graduation rate will not be calculated until 2022. February 2019 cohort only hits the 2-year mark in Feb 2021
